

A look back at a year filled with great work opportunities, sprinkled with lots of fun and laughter and the support of big hearted people and organizations.

learn. work. enjoy. be.

Together Foundation
Annual Report 2019-20

Together Foundation thanks Kiran Khalap, brand consultant and founder, chlorophyll brand & communications consultancy private limited, for his involvement with the work we do.

Together Foundation has the privilege of working with a team of young people with diverse abilities. This year, with the help of corporate and individual benefactors, the Foundation has also reached out to so many deserving families, who face economic challenges. Every team member is presented with a certificate, giving in detail their work skills that will help them be engaged meaningfully, now and in the future. Here is a glimpse. . .

Together Foundation

skill development for people with special needs

Certificate of Achievement

Together Foundation thanks TATA Investment Corporation Limited for presenting certificates to our interns and supporting our work for people with intellectual disabilities.

Alby Chiramel

Group Leader: for his hard work, enterprise and leadership skills. 2019-2020

Cookies – Oats & Raisins, Divine Chocolate, Rose Jam

Process – Mixing, weighing portions, rolling, dipping, piping jam, primary and secondary packing.

Chocolate – Plain, Nut, Chocolate Disc, Chocolate Bar

Process – Melting chocolate in microwave, chopping nuts, pouring and setting, de-moulding, primary and secondary packing.

Fresh cream – Tea Cake, Nutella Muffin, Red Velvet Muffin

Process – Measuring and mixing, chopping nuts, pouring, piping ganache, adding sprinkles, secondary packing.

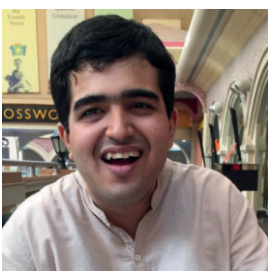

Sangeetha

Founder Trustee / Chief Co-worker
Together Foundation

Together Foundation runs an FSSAI certified bakery and sheltered employment workshop for people with intellectual disabilities. Our team members are accepted and valued for who they are and supported to achieve their maximum potential.

Together Foundation

Together Foundation runs an FSSAI certified bakery and sheltered employment workshop for people with intellectual disabilities. Our team members are accepted and valued for who they are and supported to achieve their maximum potential.

Our Sheltered Employment Workshop

Mon – Fri: 9:00am - 4:30pm, Sat: 9:00am - 1:00pm

Supported by Tata Investment Corporation Ltd, HT Parekh Foundation, Perowshaw Dhunjishaw Bolton Charities & Rajni and Ramesh Tendulkar Charitable Trust.

Every team member is encouraged to explore and work in every area of skill training and it has been found that each person does well in at least two areas. Stipends are paid every month, based on performance, regularity and punctuality.

Launch of data entry for financial institutions

Together Foundation has embarked on a new area of vocational and economically sustainable livelihood initiative: data entry for HDFC Bank, a leading financial institution in the country.

Computer training programme

Together Foundation in association with Sujaya Foundation offers a computer training programme that trains people with intellectual disabilities in computer skills. After training, candidates with typing skills are sent into the data entry programme.

Bakery

Together Foundation runs an FSSAI certified bakery with commercial equipment and manufactures a range of vegetarian and eggless products that are sold all over Mumbai and other major cities in the country. Our bakery operates on the concept of manufacturing days and training days, thereby ensuring that team members earn and learn respectively.

Packaging

Not every team member is able to fit into the required demands of working in an FSSAI certified bakery. There are plenty of opportunities to learn subsidiary skills such as primary packing, secondary packing, box making, block printing, labelling and product tagging.

The First Shop

Together Foundation runs a shop registered under the Shops and Establishments Act that offers all our products to customers in the locality. Our team members make a variety of fresh snacks to offer customers and learn a lot from interacting with these customers.

Paper plate manufacturing

This area offers a splendid opportunity to our team members to engage in some manual work. Team members enjoy working in pairs and each person manufactures around 50 to 100 plates a day.

Job work

Together Foundation has been engaging in carrying out labelling work for our client - Creative Handicrafts, from the year of inception. This area gives our team members an opportunity to be engaged meaningfully in stress free and yet methodical work.

“...children who speak and children who communicate without speaking...”

These words by Kiran Khalap, our friend and mentor, reflect the passion we have at Together Foundation for building the joy of communication.

Talk Time

A novel programme that encourages both verbal and non verbal people to express themselves on a variety of topics, with the help of visuals and a projector screen. This programme is conducted every single day at Together Foundation.

Phone programme

Our team members learn to make video calls and connect with family members, using words or sign language or picture cards / objects. This programme is conducted twice a week.

At a glance

Visitors enrich the lives of our team members and give them a window to the world. Together Foundation reaches out and conducts sensitisation / observation and training programmes for corporate visitors and special needs organizations also.

Our People

Board of Trustees – Prof. Emeritus Dr. Y.K. Amdekar, Dr. Anjali Tendulkar, Ms. Sheela Sinha, Mr. V. Chakrapani and Sangeetha Chakrapani
