

Together Foundation

Annual Report 2021-2022

Our 'Box of Abilities' is big and beautiful!

The young adults of Together Foundation have learned a number of work skills despite the challenges that the pandemic posed. We did not give up and continued to work both online and at the centre. We showcased our efforts through the 'Box of Abilities' as an e-brochure and found great support from our benefactors and well-wishers. In order to achieve a dignified livelihood and meaningful engagement for our adults, this 'Box of Abilities' needs to go far and wide to help us empower more lives.

Together Foundation thanks Kiran Khalap, brand consultant and founder, chlorophyll brand & communications consultancy private limited, for his involvement with the work we do.
